EMERALD

ONE OF WORLD'S LEADING
JEWELLERY MANUFACTURER

EMERALD : AN EPITOME OF EXCELLENCE

Established in 1984, Emerald Jewel Industry India. Ltd., is a one stop destination for designing, manufacturing and marketing of jewelry and artifacts in gold, silver, platinum and diamonds. With over 5000 plus skilled and semi skilled workers, state of the art infrastructure, dedicated team involvement, ethical business approach, it's vision is to achieve one of World's Largest Jewelry Manufacturer status.

Emerald focuses on quality, innovative designs and dedicated customer service.

Emerald produces 24 tons of gold and diamond jewelry and 4 tons of silver articles. It has a full-fledged, well modernized factory, with a production area of 6 lakh square feet.

The skill, talent, technology, creativity, know-how, experience, expertise and the commitment to deliver best has won the most coveted position for Emerald in the entire global jewelry manufacturing industry.

Exceptional avant-garde technology, newfangled designs and unique system objectives in business has got Emerald its global recognition. It has an international market to various countries such as U.K., U.S.A., Middle East etc.

JewelOne, Ishtaa, Nishtaa, FFF, Corona, Avni, EK Tara, Ila, NXT, Emerald Lite, Modez, Hrudai, Imara, Dviya, Drita, FeatherLight and Rumi are other Stunning and Splendid Collections from Emerald. Emerald has Embarked Upon an Expansion Plan to Make its Presence Felt in The Rest of The Country and Overseas Too. EMERALD..... AN ENDLESS EPIC.....

Emerald has grown by leaps and bounds over a period of 34 years.
